The Legislative Counsel, accompanied by [redacted] met with Mr. James L. Harrison, Staff Director, and Mr. Paul C. Beach, Assistant Staff Director of the Joint Committee on Printing. The purpose of the meeting was to discuss H. R. 11042, Congressman Wayne Hays' proposal to revise the laws relating to depository libraries. Although Mr. Harrison and Mr. Beach were not too familiar with this bill and had not analyzed it, they did give us some background information on the scope and jurisdiction of their committee and subcommittee on printing of the House Administration Committee.
